MAIL STOP

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

We enclosed herewith a copy of the Request for Certificate of Correction or Corrected Patent, with form PTO/SB/44, filed on May 9, 2006.

Given the facts and in view that no Certificate of Correction has been issued until now, Applicants respectfully request that the Commissioner issue a Certificate of Correction, rectifying the drawings as soon as possible.

Also, it is deeply believed that the errors, on the Letters Patent for the present case, are a consequence of an immense confusion on the part of the Patent Office, thus Applicants request that the Director or Commissioner for Patents should issue a corrected patent in lieu of a Certificate of Correction as a more appropriate form for the Certificate of Correction as provided under 37 C.F.R. § 1.322 (4)(b).

Please charge any deficiencies or credit any overpayment to Deposit Account No. 09-0461.

Respectfully submitted,

Dated: April 8, 2008

/Pablo Meles/
